THE KPFA FOLIO

August 24 - September 6, 1964

VOL.15, No. 10

Published biweekly expressly for subscribers who keep KPFA on the air. The unusual arrangement whereby listeners, as sponsors, pay \$12 or more a year gives Pacifica stations their peculiar stamp and unique freedom. KPFA is one of three Pacifica stations. KPFK-fm serves Southern California, and WBAI-fm serves New York. All are non-profit and without commercial advertising.

Note: A date at the end of a program description is the date for rebroadcast of that program.

KPFB is at 89.3, broadcasting the same programs to part of the East Bay.

PROGRAM NOTES

"So long as the sun warms the earth, let no Christian be so bold as to come to Japan, and let all know that if King Philip himself, or even the very God of the Christians, or the great Shaka contravene this prohibition, they shall pay for it with their heads."

These were the words on a tablet posted at the site of the execution of 61 envoys from Macao, who had come to Japan in 1640 seeking to establish trade relations.

Japan no longer rejects the rest of the world. Indeed the traffic is heavy now, in scholars, tourists, and traders. American technological developments are quickly adopted in Japan, and her products sell all over America. While our use of the atomic bomb against her is not forgotten on either side, many common national traits and institutions keep the channels of communication open. As a glimpse of this energetic and complex nation, KPFA presents special programming on Japan in this Folio.
